

Name:	ame: Anti-bullying Policy (Pupil Friendly Version)	
Approved by:	Mrs Ogunmyiwa	
Policy created: September 2020		
All policies are available to stakeholders either on the school website or upon request from the office.		

# **INTRODUCTION:**

The school will encourage good values: being honest and having respect for property and one another. Everyone should know what the different types of bullying are and that they are unacceptable. Every pupil has the right to:

- Be healthy
- Be happy
- Stay safe in an enjoyable environment
- Achieve economic wellbeing

# **KEY POINTS:**

School should be a place where children feel safe from all types of bullying and harassment: name-calling; intimidation; social exclusion; ridicule; humiliation; physical violence; cyber bullying; homophobic/biphobic/transphobic, racial and cultural harassment; and disability or SEN based bullying.

### AIMS:

To give a clear message that bullying, in any shape or form, is totally unacceptable and will be dealt with and to give pupils the means to deal with bullying. This includes:

Senior Tutors / Assistant Senior Tutors / Form Tutors / Anti Bullying Ambassadors

Also we want to help the bully to change their ways so that they do not repeat their actions. Staff will take appropriate action and the problem will hopefully be resolved effectively avoiding further problems. **All information about bullying will be recorded**.

# **3.** Outcomes **3.1** If a bully does not stop bullying, then there will be appropriate sanctions from the school. Each case will be dealt with on an individual basis. Parents/carer of both the victim and the bully will be informed of the consequences of more bullying and a range of sanctions can be used. The bully can be kept at rec or lunch away from others and may be taken out of lessons. In the most serious of incidents the Principal has the right to exclude a pupil.

4.	Preventing it	
4.1	Bullying can be stopped. Students are encouraged to report incidents of bullying to staff, anti-	
	bullying ambassadors or via the Sharp System. Staff are asked to be alert and to look out for the	
	early signs of bullying and there are staff on duty around school during rec and lunch times.	
	Pupils coming to school before 08:30 should go straight to the dining room where there will be	
	supervision. After school pupils can stay in the library until collected. The library closes at 5pm.	
	Antibullying ambassadors are around the site at rec on Monday and Tuesday, next to the RS	
	office, to report any incidents of bullying.	

5.		Training and Teaching	
5.1	L	Staff are trained to deal with bullying. Pupils have PSHE, drama lessons and assemblies which will	
		focus on bullying. We will be supportive when dealing with bullying and aim to increase the self-	
		confidence amongst pupils involved.
