On Tuesday 5th July the staff took on the year 10 students in a rounders game which saw many students from year 7-10 come along to watch and cheer. The year 10s batted first and showed their amazing talents but were restricted to 8 rounders after some brilliant fielding and diving (Mr Capon) from staff. The year 10's fielding was fantastic, getting 4 staff members out before they even reached first base. The year 10s were victorious, as the staff team scored 7 and a half rounders. It was a great game, and it was great to see so much support from both students and staff!

On Tuesday the 21st of June, our year 10 team played against Loreto here at AGGS. We selected 13 students to take part in the game and all students rotated, having a go at both fielding and batting. In the first innings, AGGS scored exceptionally with multiple rounders and demonstrated some fantastic technique. When it was their turn to field, the group worked well together, communicating and restricting Loreto to as little rounders as possible. Both teams had the opportunity to bat and field twice, and by the end of the game AGGS had scored a total of 14 rounders. Well done to all that were involved in the game and a big well done to Chloe who was the player of the game!

On the 25th of May, 11 students attended the Trafford Schools rounders tournament. The group played 4 games within their group and after winning 3 of these games, they reached the 3/4th playoffs against Urmston. The team played well in the playoffs resulting in them taking 3rd place in the tournament. Congratulations to all 11 players and to Ayesha for player of the tournament!

Meet Sporting Success Athletics

The first round of the National Schools Athletics Cup took place on an extremely wet day in May just before the May half term. We fielded a Y7/8 team and a Y9/10 team. Due to COVID it was the very first time some of these students had competed in some of these events or even ran on a track and for the Y10's it was their first time since Y7.

Both teams did exceptionally well weather considering with the Y9/10 team finishing 3rd and the Y7/8 team finishing 1st and qualifying for the next round, which unfortunately clashed with the Trafford Schools Athletics, meaning we had to withdraw from the competition.

Congratulations to all students who attended and performed exceptionally well. It was a fantastic day and a fantastic opportunity for our students to display their amazing talent!

On the 8th June it was the Trafford Schools Athletics Championships at Longford Park. Again, some of our students had never even picked up a discus or a javelin, but in true AGGS spirit they got on with it to the best of their ability to support the team.

With over 12 schools competing in each competition AGGS managed to finish in the top 3 in each J. The majority of the team is pictured below. Congratulations to all participants.

Final Results: Y7: 3rd , Y8: 3rd , Y9: 2nd , Y10: 3rd
