## Welcome to Altrincham Grammar School for Girls

Altrincham Grammar School for Girls is an Ofsted-rated outstanding school taking a variety of girls from ages 11-18 and making bright stars out of them. AGGS brings out the best of its students and is widely known for the exceptional scores and marks it comes out with, but what are some good ways of fully enjoying the AGGS experience?

### Top Tips!

Here are some top tips on how to have the best time possible at AGGS!

#### Focus On The Positives

Everyone has something in their day that goes a bit off course but that's okay! Think about what you enjoyed!

#### Be Prepared

BELIEVE ME when I say being organised is SO helpful. You never have to rely on anyone else, and always know you're good to go!

#### Have A Good Nights Sleep!

There is no better feeling in the world than waking up in the morning and knowing you're fully prepared for the day ahead of you!

#### Label Everything

In your time at AGGS, you will see how important this is, especially with PE kit, which seems to ALWAYS get in either somebody else's PE bag or just simply teleports itself to the lost property.

#### Do Your Homework As Soon As You Get Home.

Now, a lot of people at AGGS seem to do homework the day before it's due. Personally, I like to do it straight away, so it's out of the way and I feel confident that I've completed everything, so this one is definitely important, but DON'T do it on the weekend or in a holiday, that's your time to relax, don't stress about school then.

### What's to like about AGGS?

It's all about variety

I'd like to say EVERYTHING about being a pupil at AGGS is great. There is a variety of clubs that you can explore and plenty of opportunities to discover your interests. The canteen serve great food from paninis to samosas. The classrooms are extraordinarily decorated. For example, in the Art classrooms there are large boards painted with the wonders of creativity and splashed with detail.

The Devtsdale, which is where you will go for either PE, has a great netball court, an ideal sports hall and a massive area of grass to do Athletics, Hockey, Rounders etc. AGGS is a fantastic school and it is guaranteed that you will fit perfectly into the routine and ideal environment. I hope you look forward to dig deeper into the wonders of Altrincham Grammar School for Girls!
