January 2025

Sept - Dec 2024

The academic year kicked off with a bang! We've hosted the Christmas Shopping Evening, the Auction of Promises, and the Parentpay Raffle. We're thrilled to announce that the total amount raised between November and December 2024 is £4136.86

A heartfelt thank you to all the parents who helped with the activities, donated promises, and generously spent their money. All the funds raised will be used to either purchase equipment or pay for school activities.

What we helped buy

At the recent bid meeting with the teachers in November 2024, the PTA agreed to fund two 3D printers for the DT Department, replace the PH probes for the Chemistry Department, and support the language ambassadors. If you would like to get involved in any of the PTA activities or meetings, please email the PTA.
